

# Smart Lender - Applicant Credibility Prediction for Loan Approval

Team ID : PNT2022TMID19191

## Sprint 3:

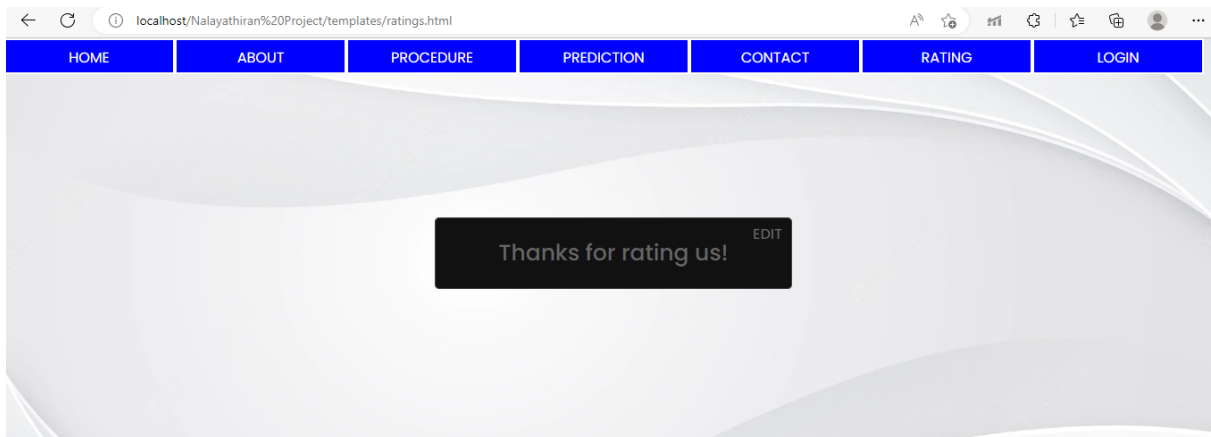

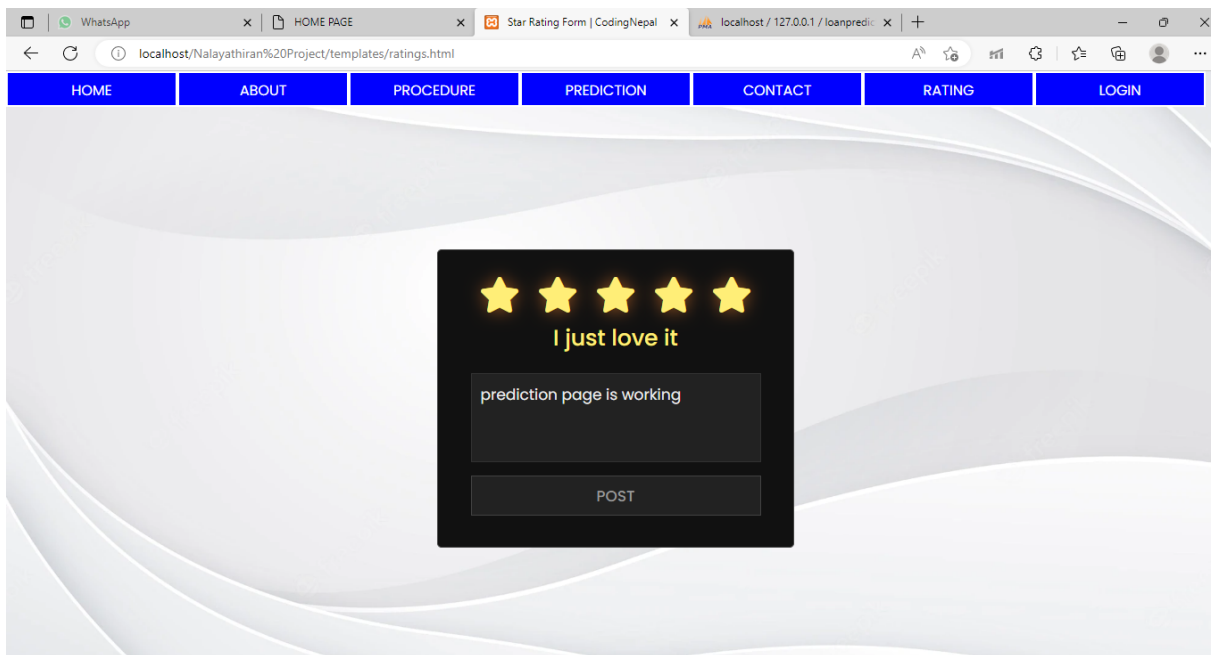

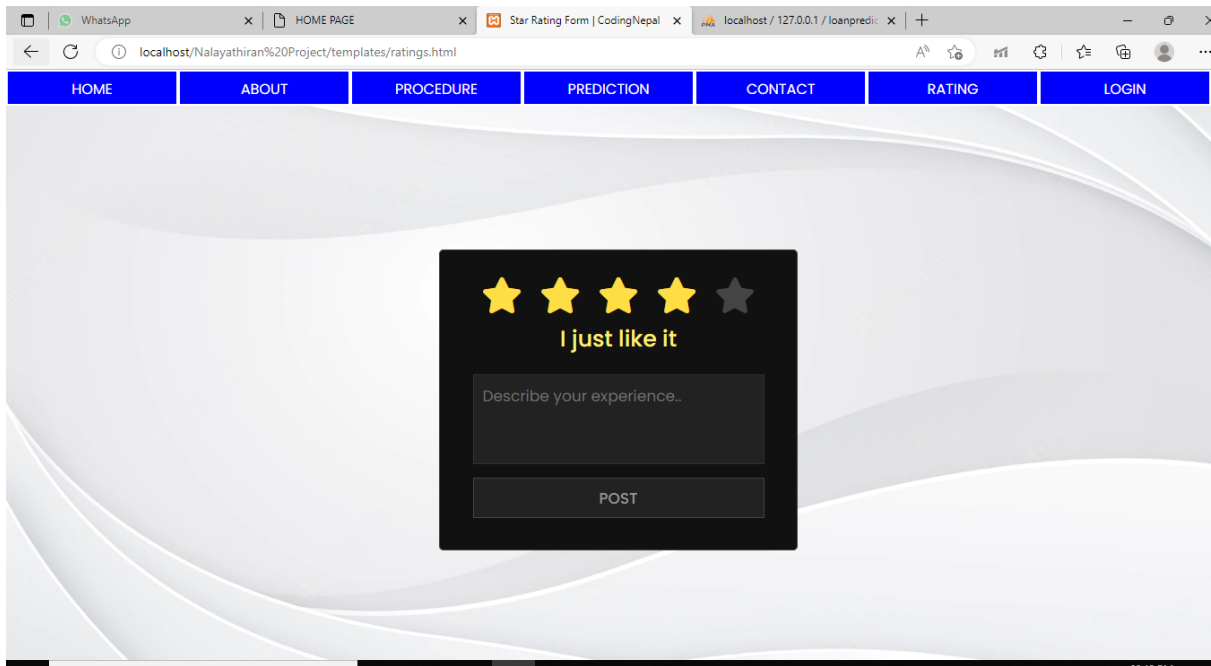

- ❖ Rating Page
- ❖ View User Details

## Rating Page:

The image displays two screenshots of a web application's Rating Page. Both screenshots show a browser window with the URL `localhost/Nalayathiran%20Project/templates/ratings.html` and a navigation bar with links: HOME, ABOUT, PROCEDURE, PREDICTION, CONTACT, RATING, and LOGIN.

The top screenshot shows a rating of 1 star (yellow) and 4 grey stars. The text "I just hate it" is displayed. Below the stars is a text input field with the placeholder "Describe your experience..." and a "POST" button.

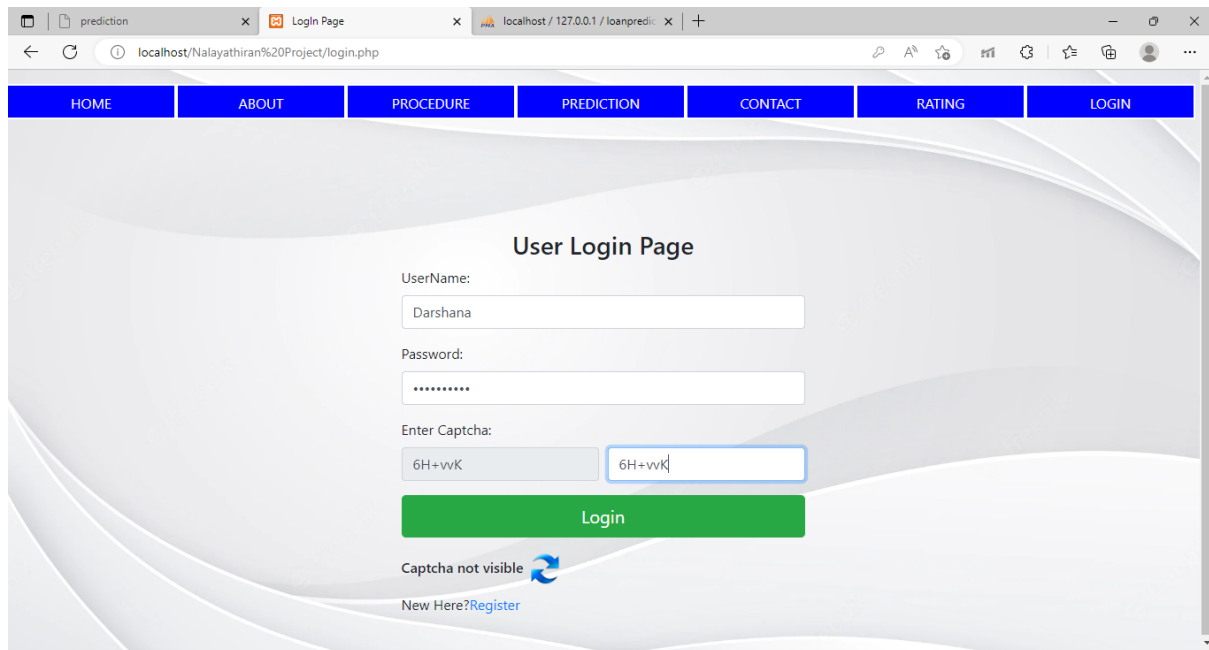

The bottom screenshot shows a rating of 5 stars (yellow). The text "It is awesome" is displayed. Below the stars is a text input field with the placeholder "Describe your experience..." and a "POST" button.

## View User Details:

### ❖ User Login:

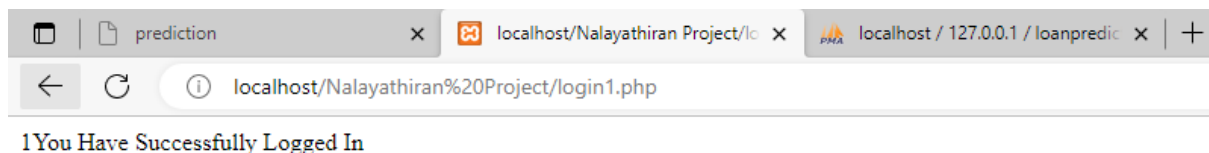

## Entering user details

The screenshot shows a web browser window with the URL `localhost/Nalayathiran%20Project/login.php`. The page has a blue navigation bar with links: HOME, ABOUT, PROCEDURE, PREDICTION, CONTACT, RATING, and LOGIN. The main content area is titled "User Login Page" and contains the following form fields:

- UserName:** A text input field containing "Darshana".
- Password:** A password input field with masked characters "\*\*\*\*\*".
- Enter Captcha:** A captcha input field showing "6H+vvK" and a corresponding image of the same text.
- Login:** A green button labeled "Login".
- Captcha not visible:** A link with a refresh icon to regenerate the captcha.
- New Here? Register:** A link to the registration page.

## Login Successful message

The screenshot shows the same web browser window after a successful login. The URL is `localhost/Nalayathiran%20Project/login1.php`. The page displays a message: "1You Have Successfully Logged In".

## Viewing the user details in database

The screenshot shows the phpMyAdmin interface for the 'loanprediction' database. The 'userlogin' table is selected, and the 'Browse' tab is active. The table structure is shown with columns: username, password, and captcha. The data is displayed in a table with two rows: 'Anu' and 'Darshana'.

username	password	captcha
Anu	anu@234	0\$KDG!
Darshana	Darshu@234	6H+vvK

## ❖ Bank Login

## Entering bank user details

The screenshot shows the 'Bank Login Page' form. The form has a header with navigation links: HOME, ABOUT, PROCEDURE, PREDICTION, CONTACT, RATING, and LOGIN. The form fields are: Bank user Name (Admins), Bank Email ID (admins@gmail.com), Password (\*\*\*\*\*), and Enter Captcha (AnS0W@). A green 'Submit' button is at the bottom. A 'Captcha not visible' message with a refresh icon is at the bottom right.

Bank user Name: Admins

Bank Email ID: admins@gmail.com

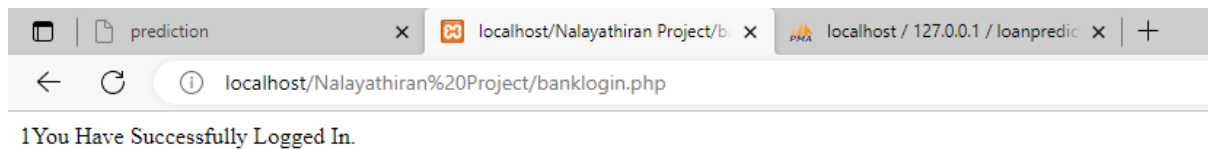

Password: \*\*\*\*\*

Enter Captcha: AnS0W@

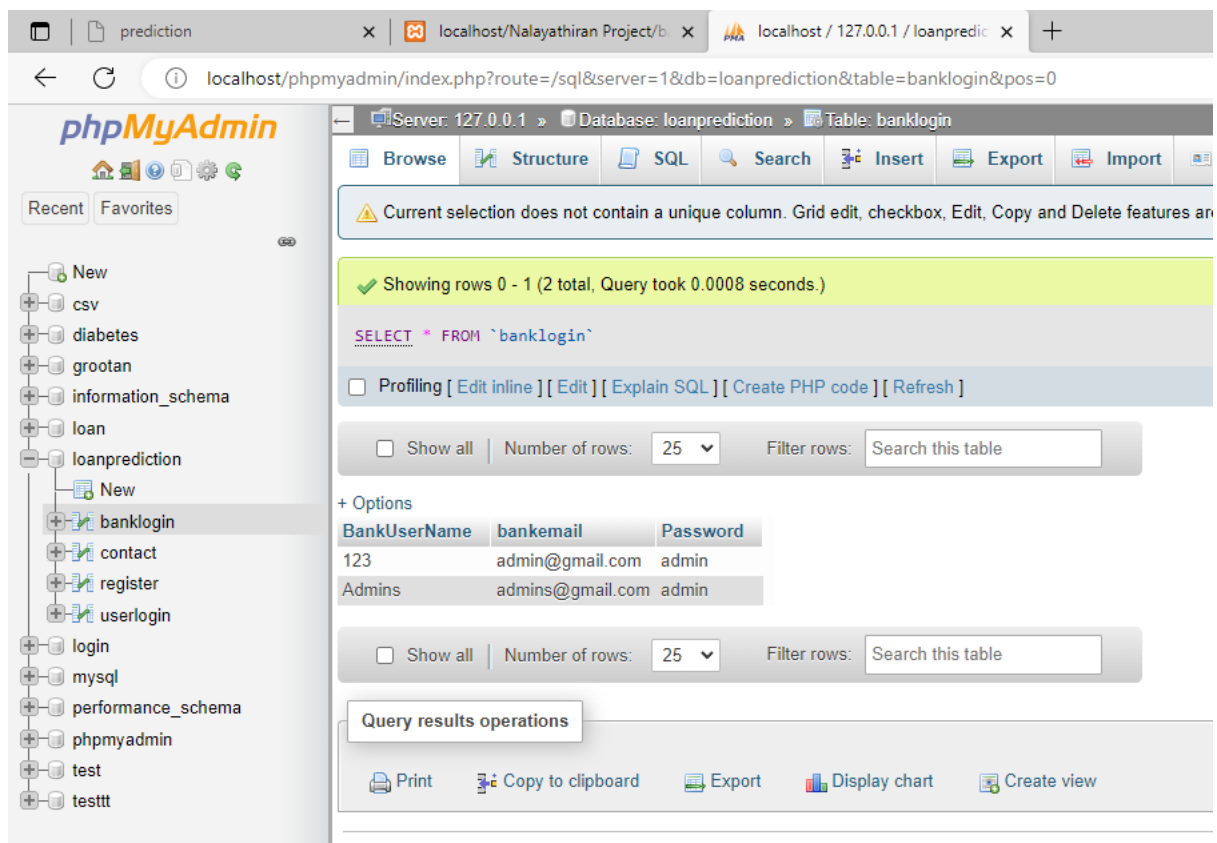

Submit

Captcha not visible

1 You Have Successfully Registered.

## Viewing the registered details in database

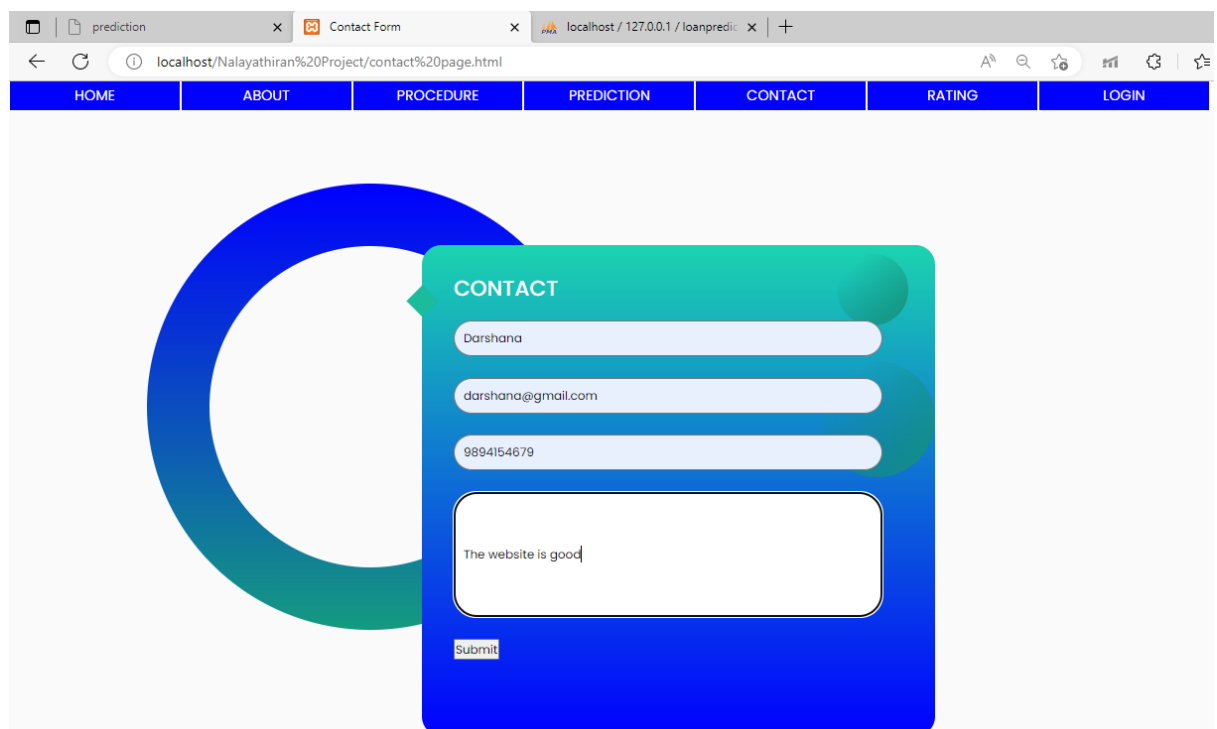

The screenshot shows the phpMyAdmin interface. The left sidebar displays the database structure, with 'loanprediction' selected. The main panel shows the 'register' table with the following data:

name	email	username	password	mobilen
Anu	anu@gmail.com	Raj	anu@2001	2147483647
username	darshana@gmail.com	Darshana	hfsjsbs	2147483647
Darshana	darshana@gmail.com	Ram	ram@234	2147483647

## ❖ Contact Page:

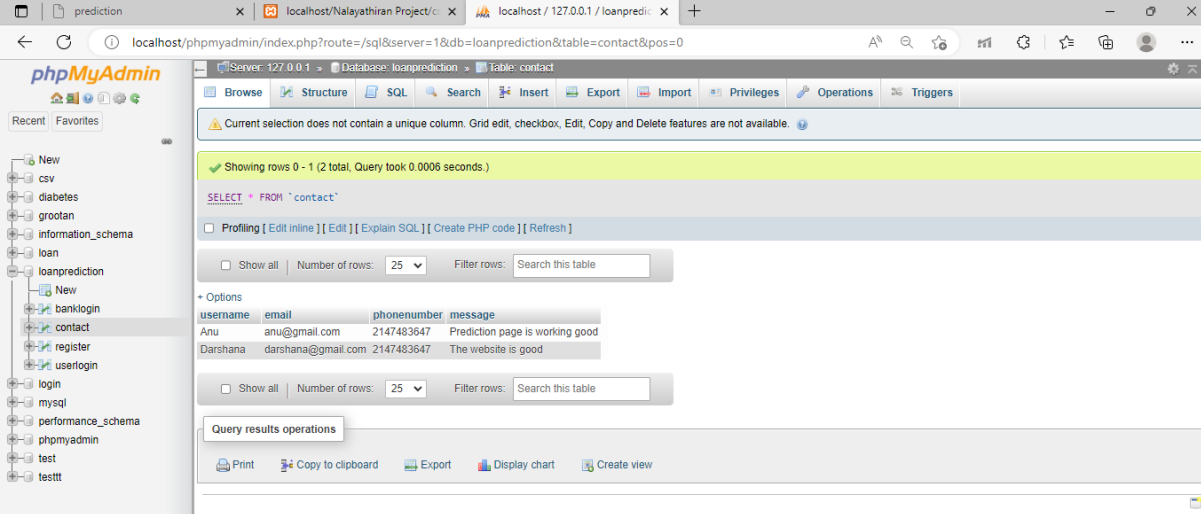

Entering the details in contact page

The screenshot shows the Contact Page of the application. The page has a blue header with navigation links: HOME, ABOUT, PROCEDURE, PREDICTION, CONTACT, RATING, and LOGIN. The main content area features a large blue circular graphic and a contact form with the following fields:

- Name: Darshana
- Email: darshana@gmail.com
- Phone Number: 9894154679
- Message: The website is good
- Submit button

## Viewing the details in contact page

The screenshot shows the phpMyAdmin interface. The left sidebar displays a tree view of databases, with 'loanprediction' selected. The main panel shows the 'contact' table structure and data. The table has columns: username, email, phonenumber, and message. Two rows of data are displayed:

username	email	phonenumber	message
Anu	anu@gmail.com	2147483647	Prediction page is working good
Darshana	darshana@gmail.com	2147483647	The website is good

Below the table, the 'Query results operations' section provides options to print, copy to clipboard, export, display chart, or create view.
